

Recreation Advisory Board Minutes

December 14, 2006
Raymond High School
6:30 P.M.
Room 202

Attendees: Julie Hazel-Felch, Angel Miller, Luke Papamichael David Spinney and Asst. Director Kelly Lehman.

Dave came to discuss building a field at Cammett on behalf of the Raymond Soccer Club. Some of the past concerns was the requirement for a new well for watering fields. They are now considering building a "Turf" field and considering pros and cons to both. Some of the issues were, (if) environmentally friendly considering it is near the town aquifer, cost (maintenance and playing surfaces). (Benefits would be no maintenance such as cutting/fertilizing and watering). Kelly, Dave and others expressed interest to do more research on the matter.

RSC is interested in spending the money (to build the field) to ensure that it is used for what it was intended for.

Also there was discussion about a rumor that Raymond High School was interested in building a field at the RHS location. If so maybe RSC would be interested in helping fund that project instead of Cammett.

Luke brought back the subject of refurbishing the track at the middle school. Still need to get a point of contact to spearhead the project.

Directors Report

Kelly brought forth the events over the weekend from the annual (holiday) parade, the floats, people attending, organizations participating etc. Ongoing events included Ski trips and Senior Citizens Trips.

Angel motions to adjourn at 8:07 PM, Luke seconds, all in favor.

Respectfully submitted.
Luke Papamichael
RAB Chairperson.

Note: Angel Miller took minutes and portions in () were added by myself during the transcription. - Luke
